

WHAT DOES THE LOCAL PLAN MEAN FOR YOU?

The Local plan decides where houses can be built.

The latest version is out for public consultation. It puts more houses in the villages and over 1,300 new houses for Lydney.

Have your say!

Councillor Nicky Packer is holding a 'drop in' session for residents to come for information and to talk about what the Local Plan will mean for them:

Soudley Village Hall

Monday 5th September, 6.30 - 8.30pm

The Council consultation runs until 26th September. See Cllr Nicky Packer's website for more information:
